PREPARATION
FOR ULTRASOUND EXAMS

PLEASE READ CAREFULLY & BRING THIS PAPER WITH YOU

Please follow instructions carefully, otherwise your examination may need to be re-booked or repeated at a later date.

PREGNANCY ULTRASOUNDS

- ★ A **FULL BLADDER** is required for all **EARLY (<14 WEEKS)** pregnancy ultrasounds.
- ★ No drinking is required for 2nd or 3rd trimester ultrasounds.

RENAL AND PELVIC ULTRASOUNDS

- ★ A **FULL BLADDER** is required for these exams. If your bladder is not full, your waiting time may be increased or you may need to rebook.
- ★ Please **FINISH DRINKING 4 large glasses (32oz) of WATER ONLY, 1HOUR** prior to the exam.
- ★ **DO NOT** empty your bladder after drinking.

ABDOMEN ULTRASOUND

- ★ An **EMPTY STOMACH** is required for this exam. **NOTHING** to eat or drink after midnight before the test.

ABDOMEN / PELVIC COMBINATION ULTRASOUND

- ★ An **EMPTY STOMACH AND A FULL BLADDER** is required.
